pected to remain there forever. A single glance developed the difficulty in that little train of one waron and three persons, and that it had attained a point of quiet desperation to England. The Times asks no indemnity for in beyond the reach of peaceful adjustment. Three days before they had pitched their tent at the forks of the read, and as they could not agree upon the route by which to enter California, there they had remained. The husband had expressed to the army follow in the rear, for the purpose of a preference for the Carson road, and the wife for plunder. They seize grain, fruit, furniture, and the Lassen, and neither would yield. The wife declared that she would remain all winter; the husband said he would be pleased to prolong the sojourn through the following summer.

broke a sullen silence of 36 hours by proposing a division of the property, which consisted of two voke of oxen, one wagon, camp jurniture, a small quantity of provisions, and \$12 in silver. The proposal was accepted; and forthwith the "plander" was divided, the wagon to the old man, and the daughter to the mother. The latter exchanged with a neighboring train the cattle belonging to her for a pony and a pack-saddle, and piling her daughter and her portion of the divided spoils upon the animal, she resolutely started across the desert by the Lassen trail, while the tinued, two other nations, glorious representatives old man silently yoked his cattle and took the of civilization, are engaged in a horrible struggle. other route.

safety. We say "of course," for it is scarcely possible that any obstacle, death not included, man were less plentiful than now-and subsequently opened a boarding house, and in a few promised. married to one of our most substantial citizens. And what had become of the old man? The wife had not seen or heard of him since they parted on the Humbolt. They had lived bappily together for years, and she sometimes reproach-

ed herself for the wilfullness that separated them | Chamber. after so long a pilgrimage together. But he was not dead. We cannot trace his course in California however. All that we know of him is, that fortune had not smiled upon him, and that for years he had toiled without hope. Finally, the Patriarch Gregorius, to meet at Constantinople, feeling unable longer to wield the pick and shovel. It will consist only of Patriarchs and Comitaus prohe visited San Francisco in the hope of obtaining fessing the Eastern Greek faith, among them the employment better adapted to his wasted For three months he remained idle after ar-

riving there, and then, for want of occupation, be- worth, living in Warren, Pennsylvania, has just came the humble retailer of pennuts and oranges. ejected from his stomach a frog which had been with his entire traffic upon his arm. This was six months ago. A few weeks since, in passing the open doorsof a cottage in the southern part of the city, he observed a lady in the ball, and stopped to offer his merchandise. As he stepped upon the threshold the lady approached, and the | terrific yowi that the sexton would run in and colla old man raised his eyes and dropped his busket and no wonder either, for she was his wife, his graveyard. Sometimes the freg would give a noc-"old woman!" She recognized him, and throwing up her hands in amazement, exclaimed :
